FRS Youth Tour

Hi, my name is Reid Kemp and I am from Hamilton North Dakota. Recently, I had the privilege of going to Washington D.C. with the Foundation for Rural Service, June 5-9th. The whole trip was made possible by Polar Communications. My favorite parts of the trip were visiting the Smithsonian, Capitol Building, and Arlington Cemetery; traveling up the Potomac River to see Mount Vernon; and visiting with Representative Pomeroy. The Jefferson Memorial, Franklin D. Roosevelt Memorial, World War II Memorial, and the Vietnam and Korean Memorials were also places I visited in Washington D.C. I also learned a great amount about telecommunications from the three FCC Commissioners that spoke to us at the FCC Headquarters. While there, I made many lasting friendships with people that were also from rural America. Thank you Polar Communications for sponsoring me on this trip to Washington D.C.
